CONDITIONS OF SALE

PLEASE READ SALE TERMS BEFORE BIDDING

This is a bona-fide sale, the lots to actually change hands and be sold, be fair, make fair bids, ridiculous bids cannot be entered in the books.

All bids will be entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first bid received gets the lot.

NO COMMISSION CHARGE will be made on coins purchased for you at this sale. You will be expected to pay postage and insurance.

Bids must reach me by the morning of the sale, so mail them in time to avoid disappointment.

NO UNLIMITED BIDS will be accepted from anyone. Mark your highest limit or bid on the bid sheet.

Be sure and bid on the lot numbers, which you wish to purchase. It is not the cataloguer's fault if you intended to bid on one lot and fill out your bid sheet for another.

COINS, MEDALS, ETC., ARE SOLD SO MUCH PER PIECE, UNLESS OTHERWISE STATED. NO LOTS WILL BE BROKEN UP.

No deposit is required, but parties sending in bids UNKNOWN TO ME must furnish satisfactory references, preferably a bank reference, as I cannot be expected to ship goods to parties whose good standing is not known to me.

All claims for adjustment must be made in writing within THREE DAYS after delivery of goods. The cataloguer has taken great pains to describe each lot accurately. Errors will be corrected, but he reserves the right to decide upon any claims.

The terms of auction sales are strictly cash. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash.

I guarantee all coins to be genuine unless otherwise stated in catalogue.

Check and recheck before sending in your bid sheet. Plainly marking the lot numbers on which you are bidding.
